[REDACTED] Comments

1. According to a statement released to the Iranian press on 5 October 1953 by Minister of Finance Dr. Ali Amini, the Government lacks sufficient rials to supply current needs. Amini stated that despite the issuance of 3.12 billion rials by the Mossadeq Government there is now an acute note shortage, due to cashing holdings of landowners, smuggling, and the political situation which has caused wealthy merchants to maintain large stocks of notes.
2. For further information concerning plans for a strike and for relations between the Bazaar Committee and the Tudeh Party. [REDACTED]
